

MOHANA MANTRA-2017

SCIENCE EXHIBITION

Mohana mantra 2017, a National level magnanimous Techno-cultural fest was organized during 25-27th September, 2017. The programme was inaugurated by Dr.M.Mohan babu, Chairman, SVEI. It was a three day extravaganza of technical, cultural, management and literary events. Science exhibition was also organized during Mohana mantra 2017. Students actively participated and prepared various posters, Models, exhibits, demonstrations, videos and prototype models.

The carnival was a burgeoning knowledge pool of ideas set up with a vision of bringing out the best in young technocrats. A plethora of different events were designed providing a platform for the students of different streams from all over India.
